

Victoria Gummies

¿What are VictaGummies?

VictaGummies are Nutritional Supplements, presented as Gummies, for children and mothers, with the best selection of flavors and colors.

- **For Children:** Special formulations with vital nutrients to support growth and the immunological and cerebral health of children.
- **For Mothers:** Supplements with the appropriate composition that provide the nutritional support that is necessary during and after pregnancy.

Now Nutrition is more fun...

VictaGummies are pectin-based, with incorporated nutritional components. They offer consumers a tastier and more pleasing way of taking Vitamins, Minerals and Herbal supplements.

Not only do they taste good, but they also contribute nutritional elements that help maintain and protect the organism.

Why VictaGummies?

VictaGummies contain ingredients that contribute necessary Vitamins, Minerals and Supplements. They are a healthy option to complement the essential nutrients that are required by the organism.

Our Gummies are developed with the highest quality and non-genetically modified ingredients and nutrients, to provide the best current option in the market.

Why Children and Mothers prefer Gummies

- No water is needed to take them
- Easy to swallow
- No gastrointestinal side effects
- Easy to carry, anytime and anywhere
- A tasty and effective alternative

Gummies for everyone

Gummies are no longer only for children. These supplements are also positioned as one of the main preferred products by mothers.

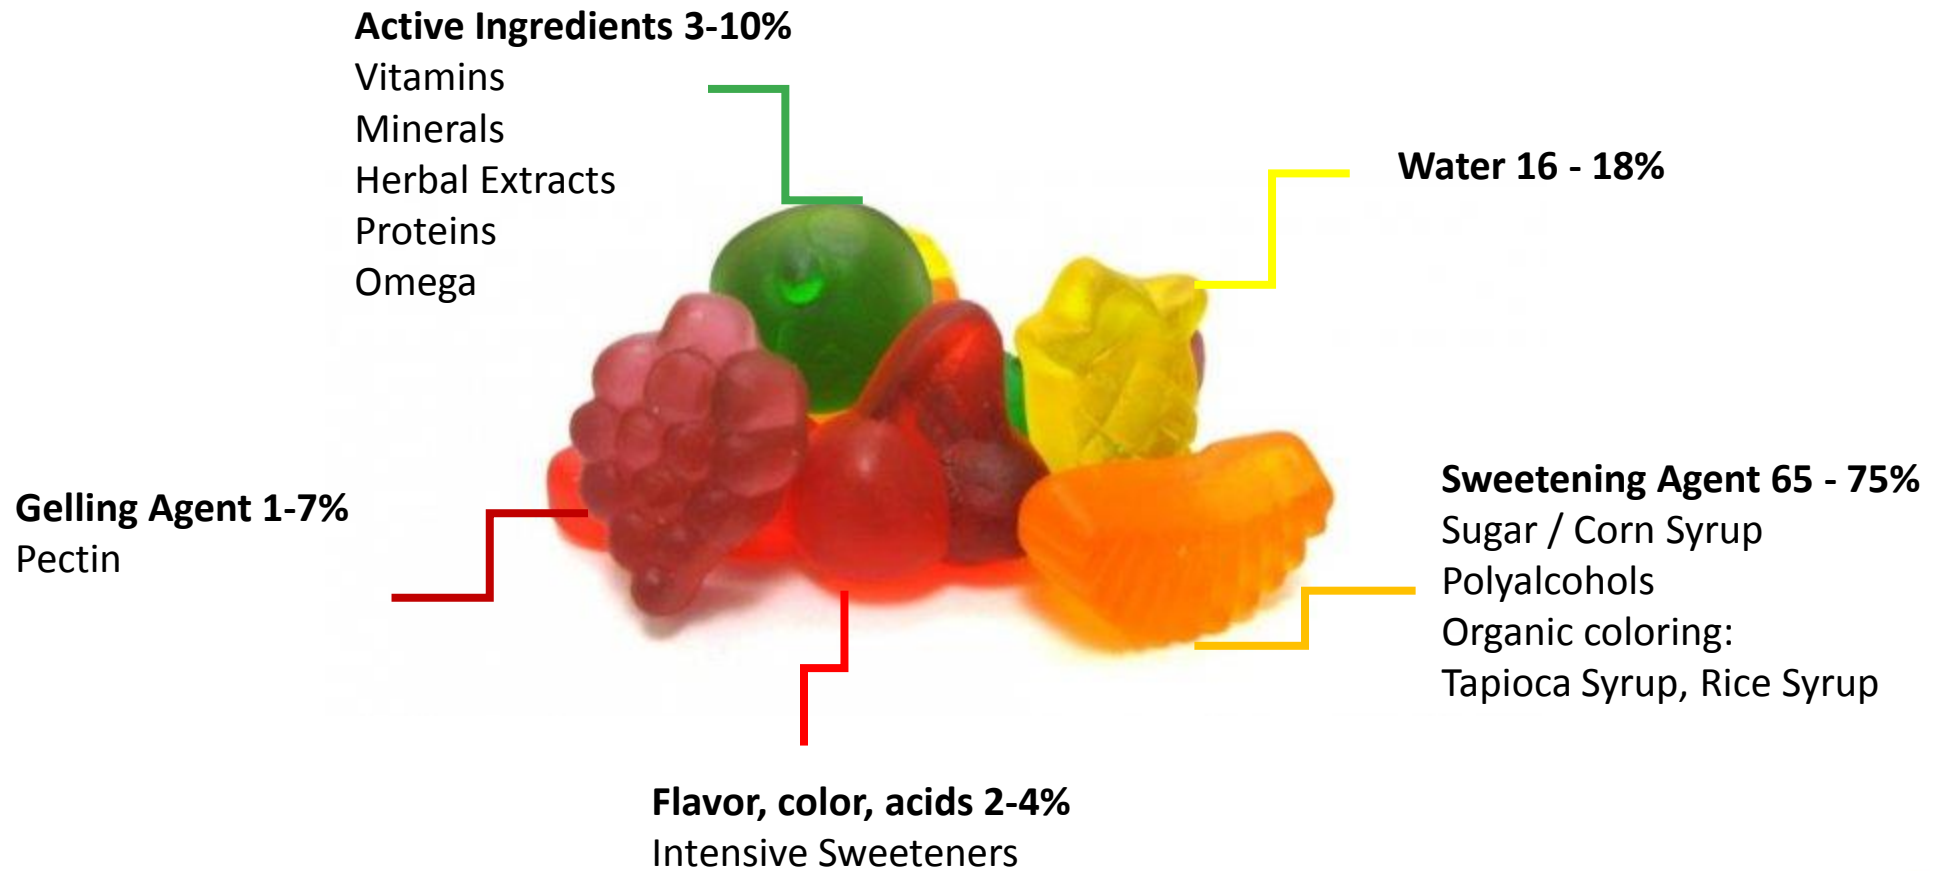

Nutritional Supplements in Gummies are growing faster than other traditional presentations, because they offer consumers a tastier and more enjoyable way to take Vitamins, Minerals and Essential Supplements.

The Benefits of Gummies

- Gummies have become the most innovative, attractive and effective alternative to consume Vitamins, Minerals and Supplements in the world
- The acceptance of Gummies is higher, among consumers, related to other products. This is due to their irresistible flavors, which are very popular in the market
- Different healthy ingredients can be added to our Gummies
